

Housing Application – Atlanta Campus

January 29, 2024

Undergraduate housing application for the Fall 2024/Spring 2025 academic year is available starting January 29! We are writing with a few important pieces of information to assist you in your housing selection process, so please be sure to read this email carefully.

As a second-year student, you must reside on campus and you will have the chance to select where you live for the 2024/2025 academic year. You may complete your Fall 2024/Spring 2025 housing agreement on your MyHousing page by clicking on the "Applications/Forms" tab from the menu bar. From there, select the 2024/25 Housing Agreement.

Please make sure you have completed your housing agreement by **Wednesday, April 3 at 11:59 pm** to receive a housing selection time for the housing selection period from April 9 – April 11, 2024. During your housing selection time, you will have the chance to select a room for the 2024/2025 academic year.

Remember, if you do not complete your application by **Wednesday, April 3 at 11:59 pm**. You will be unable to participate in the selection or match with a roommate who did complete their application on time. For applications received after this deadline, Housing Operations will assign you to the next available space after the selection period ends.

For more information on theme communities or block housing please visit our [Rising Second Year Housing Selection website](#).

We encourage students to review resources and details regarding the housing selection via our website. Housing selection information pertaining to individual students will be communicated through Emory Email and via the [MyHousing portal](#).

Sincerely,

Housing Operations
