March 29, 2021

Dear Student,

We are excited to welcome students to campus and the residential facilities for the fall 2021 and spring 2022 academic year. We are writing to share essential information about the housing selection process.

As the University returns to normal fall campus operations, we are re-establishing our residency requirement that **all first- and second-year students will live in on-campus housing beginning fall 2021. As space allows, we will house third-and fourth-year students.**

- We will resume double occupancy in rooms on our Atlanta and Clairmont campuses.
- Clairmont Residential Center (CRC) and the Undergraduate Residential Center (URC) will resume shared apartment occupancy.
- All housing selection processes for rising 2nd, 3rd, and 4th year students will take place in April 2021.
- The Housing Selection Guide will be available on the [Residence Life and Housing website](#) on **Thursday, April 1**.
- All housing applications will be available beginning **April 1 at 12 p.m. (noon) EST** on your [MyHousing](#) portal.
- Students with a housing accommodation on file with the Department of Accessibility Services will receive housing assignment options from the Housing Operations office during the week of April 19.

**Rising 3rd and 4th Year Students:**

- Current eligible Clairmont residents who want to reserve their same room for the 2021-2022 academic year may do so during **Same Room Reservation** between April 5 and April 7 on their [MyHousing](#) portal. Eligible Clairmont residents were emailed **Same Room Reservation** information on March 18 and a copy can be found here.
- Current residents who are not participating in **Same Room Reservation** but who will be participating in **Upper-class Housing Selection**, please complete your Housing Application by **Monday, April 19, at 11:59 p.m. EST.**
- For current residents who complete their housing application by **April 19**, Upper-class Housing Selection will take place **April 26 - April 27**.

**Rising 2nd Year Students:**

- As a reminder, rising 2nd year students **are required to live on campus**. Please complete your housing application by **Wednesday April 21 at 11:59 p.m. EST.**
For students who complete their housing application by **April 21**, housing selection will take place **April 28 - April 30**.

**Other Information:**

- If you want to live in a fraternity house or sorority lodge, please communicate with your chapter president so your name can be placed on the chapter housing roster. Deadline to complete your Housing Agreement and Sorority/Fraternity Addendum is **April 15**. Please make sure you select "Fraternity House" or "Sorority Lodge" on your Housing Agreement.
- If you want to live in a [theme community](#), please sure you complete both the Housing Agreement and the supplemental theme housing application by **April 9**. Please make sure you select the appropriate theme community on your Housing Agreement.
- The Sorority/Fraternity Housing Addendum and supplemental theme community application will be available beginning **April 1**.
- Virtual information sessions will be offered during the month of April. Check the calendar on our website beginning April 1 for dates.

**Campus Dining:**

- Campus dining will return to our traditional dine-in service at the Dobbs Common Table (DCT). At this time, it is anticipated that dining at the DCT will be restricted to students enrolled in a campus meal plan. Guests and visitors will be welcomed at all other campus dining locations.
- Meal plan choices and requirements will be similar to the fall of 2019. As a reminder, all students living in university housing (residence halls, apartments, sorority lodges and theme housing) will be required to enroll in a campus meal plan.
- Students may choose their fall meal plan beginning **April 5** by logging into their [MyHousing](#) portal. The meal plan selection process will be open and available through July 31. After that time, students who have not chosen a meal plan will be assigned the minimum plan available to them based on their class year and residential location.
