December 8, 2020

Dear First Name,

Our records show that you are living on campus during winter break and will remain in on-campus housing for the spring 2021 semester. We look forward to having you on campus for the remainder of the academic year. This letter details Emory’s move-in process for the spring 2021 semester for returning students residing in winter break housing.

For students currently residing at Clairmont campus for winter break whose spring 2021 housing assignment is on either the Atlanta or Oxford campus, you will be relocating to your spring assignment on Tuesday, January 19, 2021. Additional communication regarding your move process will be sent in early January. Our move-in process is designed with best practices in mind to be as flexible and efficient as possible for our students and families.

**Spring 2021 On-Boarding and Arrival Steps for Winter Residents:**
- All students living on campus for the spring 2021 semester must complete the Emory Forward multistep onboarding process in order to live in the residence halls. Additional information will be provided soon.
- It is important that you remain compliant with weekly saliva COVID-19 testing throughout winter break. **You will continue saliva testing during the week of move in**, (January 18 – January 22, 2021).
- You may continue scheduling your weekly COVID-19 test [here](#).

**What To Expect On Campus During Move-In Week:**
- We look forward to welcoming additional students to our residence halls and apartments for the spring 2021 semester. As a reminder, if you currently have a vacancy in your apartment or suite, you may receive an additional apartment- or suitemate for the spring 2021 semester.
- If you have misplaced your EmoryCard and need a new one, please complete the [Student EmoryCard Request Form](#). You will be asked to authorize payment for the replacement with a charge to your OPUS account or [Eagle Dollars](#).
- Residence Life staff will be holding virtual floor meetings and programming throughout move-in week to engage and build community on your floor while observing safety guidelines.

**Dining Options:**
- Your spring Dooley Dollars will be activated on January 18, 2021.
- If you have not enrolled in a spring meal plan, you can do so within the [MyHousing](#) portal, or by emailing dining@emory.edu, no later than January 15, 2021.
Cox Hall Food Court and Kaldi’s at the Depot will be open beginning Tuesday, January 19. On campus dining options for guests will be limited to these two locations. The Dobbs Common Table will open with dinner at 5:00 p.m. on Friday, January 22. Your spring semester meal plan will activate then. The DCT will continue to be restricted only to students enrolled in a meal plan; please plan accordingly.

Thank you for your patience and cooperation as we meet these unprecedented challenges together. Have a safe and restful winter break and we will see you soon!

Sincerely,

Elaine Turner, Senior Director
Housing Operations

Scott Rausch, Senior Director
Residence Life
