Student A can select their room via Same Room Selection process and see when this process ends.

The screenshot shows a mobile application interface for room selection. On the left is a sidebar menu with options: 'Room and Roommate', 'Select Roommates', 'Select a Room/Suite' (highlighted), and 'Housed Students Waitlist'. The main content area is titled 'Your Room Selection' and contains the following text: 'You are now eligible to select a room in the 'ATL Same Room Selection' process. You have until ... (US/Eastern)'. Below this is a section for 'Roommate Group (1)' which is currently empty. Underneath is 'Available Rooms: (2)'. The first room listed is 'ATL Clairmont Residential Center Apts F' with details: 'Room Type: Emory ATL CC CRC 2-bdrm', 'Spots: 1', and 'Suite: F'. A 'View Floor Plan' link is next to the room type. At the bottom right of the room card is a dark blue button labeled 'Select Room/Suite'.

This student has not matched with anyone and cannot 'pull in' a roommate request. Student A's group size is 1.
