WHAT TO EXPECT ON MOVE-IN DAY

**Assistance will be available** from volunteers on **Sunday, August 22** to help unload your belongings. If you are moving in outside of this date, we may not have additional assistance available. Visit the volunteer help station in the Emory Student Center or text the **Ask Campus Life!** line if you have questions!

It is extremely helpful to **label all your belongings** to ensure that none of your belongings get misplaced or lost.

To ensure an efficient move-in process, we ask that you **move your vehicle as soon as your belongings are unloaded**. Staff will direct you to relocate your vehicle from the drop-off area (if not in a deck) to an appropriate parking area.

The average temperature for Atlanta in August is around 88 degrees Fahrenheit; however, with the humidity this time of year can feel much warmer. **Stay hydrated** during Move In and throughout Orientation. We will provide water during Move In and at many of our signature events. You may also want to consider having an umbrella or sun shade available during move-in.

PARKING INFORMATION

Parking is free on weekends. If you are bringing a car to campus, you should park in your assigned lot/deck beginning Sunday evening. In the meantime, feel free to utilize the Starvine Parking Deck.

If you are moving in on Sunday, ahead of arriving on campus, place the Move-In Placard (page 4) in your windshield. This will help Emory Move In volunteers best guide you to your residence hall’s drop-off location.

Make your way to your assigned unloading area on campus by using the materials here, campus signage, and Move In volunteers. The map below details the route to your residence hall.

Bring a photo ID to check in to your residence hall. You will receive your key, EmoryCard (if you are new to Emory), Orientation materials, and a Check-in Checklist.

Relocate your vehicle to your specified parking location.

If needed: Pick up pre-shipped packages from your POD location. (See map below.)
Please print this page and place in the front driver's side of your dashboard.
