WHAT TO EXPECT ON MOVE-IN DAY

Plenty of assistance will be available from students and staff unloading your belongings and helping you retrieve your housing and orientation materials.

It is extremely helpful to label all your belongings with the provided luggage tags on page 5 to ensure that none of your belongings get misplaced or lost.

To ensure an efficient move-in process, we ask that you move your vehicle as soon as your belongings are unloaded. Staff will direct you to relocate your vehicle from the drop-off area to one of our parking decks.

We’re excited to welcome a large class this year! That said, be prepared for the occasional back up as we make sure everyone gets unloaded and into their rooms.

The average temperature for Atlanta in August is around 88 degrees Fahrenheit; however, with the humidity this time of year can feel much warmer. Stay hydrated during Move In and throughout Orientation. We will provide water during Move In and at many of our signature events. You may also want to consider having an umbrella or sun shade available during move-in.

PARKING INFORMATION

Parking is free for students and guests that use the designated parking decks during Move In Weekend.

Please print out page 4 of this document and place it in your dashboard to help with the flow of traffic on move-in day.

ARRIVING BY SHUTTLE

If you plan on arriving to campus via an airport shuttle, or another form of shared transportation, you will be dropped off at Woodruff Circle. From here, locate your residence hall using the provided map on page 3.

HAVE QUESTIONS?

Signage will be placed around campus and the surrounding area to help guide you. If at any point you find that you need additional assistance or have questions, visit the volunteer help station in the Emory Student Center or text the Ask Campus Life! line.
THE MOVE-IN PROCESS: EXPLAINED

Ahead of arriving at Emory, place the Move-In Placard (page 4) in your windshield. This will help Emory Move In volunteers best guide you to your residence hall’s drop-off location.

Find your way to your assigned unloading area on campus by using the materials here, campus signage, and Move In volunteers. The map below details the route to your residence hall.

Emory students and staff will help you unload your belongings. Please use the luggage tags (page 5) to ensure your items are not inadvertently misplaced.

Bring a photo ID to check in to your residence hall. You will receive your key, EmoryCard, Orientation materials, and a Check-in Checklist.

Relocate your vehicle to your specified parking deck. Follow the campus signs and watch for temporary one-way streets!

If needed: Pick up pre-shipped packages from your POD location (see map below).

Begin to unpack your room and review the Check-In Checklist for your next steps.
