WHAT TO EXPECT ON MOVE-IN DAY

**Assistance will be available** from students and staff unloading your belongings and helping you check in at your residence hall. If at any point you find that you need additional assistance, visit the volunteer help station in the Emory Student Center or text the **Ask Campus Life!** line.

Please print out page 5 of this document and place it in your dashboard to help with the flow of traffic on move-in day.

To ensure an efficient move-in process, we ask that you **move your vehicle as soon as your belongings are unloaded**. Staff will direct you to relocate your vehicle from the drop-off area to an appropriate parking area.

The average temperature for Atlanta in August is around 88 degrees Fahrenheit; however, with the humidity this time of year can feel much warmer. **Stay hydrated** during Move In and throughout Orientation. We will provide water during Move In and at many of our signature events. You may also want to consider having an umbrella or sun shade.

PARKING INFORMATION

Parking is free on weekends. If you are bringing a car to campus, you should park in your assigned lot/deck beginning Sunday evening. In the meantime, feel free to utilize the Peavine or Fishburne Parking Decks.
